

Jefferson Area Local Schools
Classroom Door Barricade Sponsorship

During Our Community Conversation, the community asked for the opportunity to be participants in school safety by becoming Door Sponsors. Since that time school administration has worked with the Jefferson Police Department to pick the best Emergency Door Barricade. We have decided on “Anchorman”.

ANCHORMAN
EMERGENCY DOOR BARRICADE

We successfully negotiated the cost down to \$126.33/door - a total of \$37,900 for all 300 doors. This is a savings of \$11,150 off the retail price for the device, anchor plate, hanger, and placard.
